- What you get.** A non-exclusive, non-transferable license to use the delivered list for your own business marketing and sales. Unless we agree otherwise in writing, I may sell the same list or the same territory to others.
- Permitted use.** Contacting the property occupants about your services by mail, in person or by any other lawful channel. You are responsible for following all laws that apply to your outreach, including do-not-call, do-not-knock and local solicitation rules.
- Not permitted.** Reselling, sharing, publishing or sublicensing the list or any part of it, or using it to build a competing list. Your own employees and contractors working for you may use it.
- Accuracy.** Every address has been confirmed to have panels. Optional fields such as install date, system size, roof planes and panel type come where available and are indicative where marked as ranges or rankings. Owner names, phone numbers, emails, roof age and whether a home is owned or leased are not included.
- Removal requests.** If a homeowner asks you to stop contacting them, honour it. Anyone may also ask me to remove their address from my lists and I will do so.
- Payment.** The total above is due within 14 days of my invoice. The list is delivered after payment is received, unless I agree otherwise in writing.
- Liability.** The list is provided as described above. My total liability under this order is limited to the amount you paid for it.
- Law.** This order is governed by the laws of Pennsylvania. It is the whole agreement between us on this list and can be changed only in writing.
